BANYAN VELAA CRUISE

Start your sail and board our Banyan Velaa in Male' Atoll. Your speedboat pick up will be arranged from the Airport / Banyan Tree Vabbinfaru or Angsana Ihuru.

SNORKELING

Discover the real gem of the Maldives through snorkeling. Put on your snorkeling mask & fins and start your Maldives afternoon suitably.

Banana Reef : The first dive site found in the Maldives where caves sitting around 2 meters deep can be seen from above.

Kudafaru Reef : Find and get a glimpse of the various types of corals – this area is known for finger & table corals set in a uniquely elongated reef.

Kudahithi Reef : A rare snorkeling area where soft corals are visible without the need to dive.

Kudabandos Reef : An island famous for day picnics because of its white sandy beach and amazing reef.

Laguna Reef : A distinct area housing a good number of Oriental Sweetlips (fishes of yellow colour with black diagonal lines from head to tail).

Rasfari Reef : An open channel popular for having manta rays on most times of the year.

SANDBANK DINING

Pamper yourself and enjoy one or two special treat of sandbank dining after a day of good sailing and swimming. Sandbanks are large deposit of sands that settles on a particular forming small island-like mounds in the middle of the Indian Ocean. A special spot for meals under both the sun, the stars or the moon.

- Bolifushi Sandbank**
- Boduhithi Sandbank**
- Mayafushi Sandbank**

EVENING STOPOVER

Cruise the sunset time away before settling in for the night in **Sheltered Lagoons**.

Himmafushi : Anchor near the lagoon of one of the biggest boat yards specializing in wooden boats.

Kudahithi : Spend the night inside the lagoon of this former resort island and wake up with the luxury of taking a good snorkeling round if you so wish to.

Banyan Tree Madivaru : Visit and be enthralled by our newest jewel in the Indian Ocean – the only island featuring the Tented Luxury in the Maldives with its 6 exclusive villas.

Guli : A local island known as the fishermen's village. An important source of fresh catch for most resorts in the Maldives.

Thulishdoo : Get a glimpse of the capital island of Male' Atoll where Coca Cola, one of the biggest bottling company is located.

Embudu Finolhu : Settle for the night on the edge of Male' Atoll and have the luxury to see the deep ocean area in your horizon.

OTHER POSSIBLE ACTIVITIES

Big Game Fishing : A form of recreational fishing targeting large fishes renowned for their sporting qualities, such as tuna and marlin.

Local Island Visit : Take a peek into the Maldivian style of living. (Please observe attire recommendations)

Diving : Chargeable and must be pre-booked before arrival. (Dive list and prices available upon request)

Uninhabited Island Visits : Chargeable at a minimal cost.

* The above destination is available on a per-cabin basis booking between 1 to 3 nights.

* Sailing of more than 3 nights onto farther destinations is available on charter basis.

* All activities are dependent on weather, sea conditions and locations.

Our Gulet does not follow a fixed itinerary. The routes will be adapted to seasonal conditions, available time and weather forecasts. The experienced crew will choose the best possible route. The Captain's decision will always be followed and will be considered final.
