

One Bedroom Hongcun Townhouse (88sqm)

A compact, intimate serene house with all the facilities to serve your stay. Details in the living room only elaborates the longevity and exquisiteness of the ancient Hui culture - copper tea pot, Chinese ink paintings and well-scented incense, crafting the essence of both local culture and nature. On the first floor where the bedroom is, there is a collection of flourishing bamboo trees sweeping in the yard, or just a window away from the bathtub.
