Surrounded by eco-diverse mountains, spectacular national parks and awe-inspiring UNESCO Heritage Sites, explore the cultural riches of Vietnam. Walk along the cobbled streets of 2,000 year old Hoi An, a thriving commercial port turned shopper's paradise, discover Hue the home of 13 successive Vietnamese emperors and take an idyllic boat ride down the Perfume River.

Flanked by the ocean and beach on one side, and stunning mountainscape on the other, the scenic beauty of the Laguna Lăng Cô Golf Course makes for a memorable round on the greens. Measuring just under 7,000 yards from the pro tees and 5,200 from the front tees, the course offers golfers across all levels of expertise an opportunity to test their skills and shot selections. Look out for the par-3 fifth, the course's breathtaking signature hole with two large sculpted mounds around the green framing a mountain peak beyond. Finally, dig deep and swing hard to finish out, a monster dog-leg left, wrapping up the round on the 18th green overlooking the magnificent sea.

Back at the resort, laze on the verandah of your Lagoon Pool Villa, take a dip in the cool waters of your private pool and enjoy gastronomic feasts prepared by our inspired chefs. With time-honoured spa treatments daily, melt your cares away under the professional hands of our spa therapists and our award-winning treatments. Retreat, rejuvenate and discover, all at Banyan Tree Lăng Cô, Central Vietnam. In this hushed serenity, the other world can wait.
