

Thai Rock Band Labanoon's Singer Metee Arun Performs Live At Banyan Tree Group's Laguna Phuket With Extra Special Local Support

Phuket, Thailand, 5 February 2021 – Metee Arun, the singer and guitarist of the famous Labanoon rock band, took time whilst visiting Banyan Tree Phuket to host a special performance on the greens of the Laguna Golf Phuket golf course. Performing the locals' favorite song, Dok Fah, Metee Arun was joined by ten students from the Laguna Phuket Kindergarten.

"I wanted to record an exclusive version of this song, as it has a special meaning to me when I'm visiting Phuket. Having the wonderful children feature on the video is really fantastic and the setting within the beautiful environment of Laguna Phuket is perfect," said Metee Arun.

"The event brought some much needed cheer to the local community that has been severely affected by the downturn in international tourism recently. Ravi Chandran, Managing Director at Laguna Phuket, said: "We would like to thank Khun Metee for kindly offering to perform at Laguna Phuket during his stay. Labanoon are extremely popular with our associates and community, this event has lifted everyone's spirits and created much enjoyment. It has also been a wonderful experience for our Kindergarten students who have just been featured in their first music video!"

Banyan Tree Group's first destination integrated resort – Laguna Phuket – has long been famed for hosting award-winning international annual sporting events, such as the Laguna Phuket Triathlon, Supersports Laguna Phuket Marathon and Singha Laguna Phuket Open golf tournament. "We have built a strong reputation through our sporting events, and continue to expand on this with new events, such as the upcoming Thailand Stand Up Paddleboard Championship on 31st March to 4th April 2021. At the same time, we are developing into the music entertainment scene and Laguna Phuket will be announcing some exciting new events very soon," said Ravi Chandran.

The video of this exclusive performance can be viewed on the LABANOON Facebook Page. For information about Laguna Phuket, please visit www.lagunaphuket.com
