THAI CUISINE

THE SOUL OF THAILAND AT BANYAN TREE

Follow the welcoming scent of spices that lead to Saffron, where we honor Thailand's distinct cuisine and culture. With authentic ingredients and recipes, seen through a contemporary lens, we are proud to present an inspired experience that goes back to the year 1995, when the first Saffron restaurant opened at Banyan Tree Phuket. Over the years, Saffron has grown and developed, becoming our signature restaurant at 14 properties worldwide. Here, we share the very essence of our Thai heritage through gastronomy, hospitality, and an atmosphere of pure serenity.
