

STEP INTO A SANCTUARY FOR THE SENSES

Going back to basics, where wellness is simply about embracing the nature and surrendering to the art of human touch are what our Founder and Executive Chairman, Mr. Ho Kwon Ping had in mind when he first started the spa.

These ideals became the cornerstones of Banyan Tree Spa, pioneer of the tropical garden spa concept. Over the years, the intuitive touch of our spa therapists, the seamless blend of serenity with exotic sensuality and the beauty of the natural environment have come to define the award-winning Banyan Tree Spa experience.

Enjoy the difference.
