

# MOJITO

We follow the treasured recipe of "La Botequita del Medio", the most iconic bar in Havana, which is believed to be the place where the Mojito was born. The method involves a lot of care and passion: we macerate the lime with sugar for a few hours allowing the flavors to blend, we then add the rum, mint, and top it up with soda for a bit of sparkle – just like in Havana.

## MOJITO TRADITIONAL 60

For a crafted unique experience, we have created our own infused rum so choose your flavor, and we will build your Mojito.

## A JOURNEY THROUGH THE PURE LEGACY OF COCKTAILS

Inspired by Cuba's authentic heritage, our drinks menu aims to showcase this vibrant country's rich cultural legacy and traditions. Each drink is infused with Cuba's unique flavors and aromas and carefully crafted using local ingredients, spirits, and techniques. This allows you to experience the true taste of Cuba in the colorful and vibrant heritage of this iconic island nation.

### THE HAVANA SECRET

#### LA PERLA DEL CARIBE 75

The city is renowned for its natural beauty, rich culture, and strategic position within the Caribbean Sea, making it often referred to as "The Pearl of the Caribbean." Havana stands out as a jewel in the Caribbean region due to its lush tropical vegetation, pristine beaches, stunning landscapes, colonial-era architecture, vibrant music, delectable cuisine and rich historical significance.

**Havana 7, Mezcal, Banana, Star Anise & Saffron Honey**

#### PINAR DEL RIO 75

Around 4000 BCE, the initial GUANAHATABEY tribes settled on the western coast of Cuba, they are credited as the pioneers of tobacco smoking, and their original settlement is now recognized as Pinar del Rio - famously referred to as the "tobacco mecca" in historical contexts.

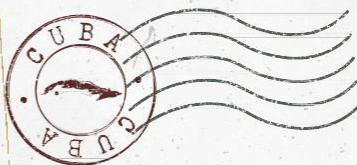

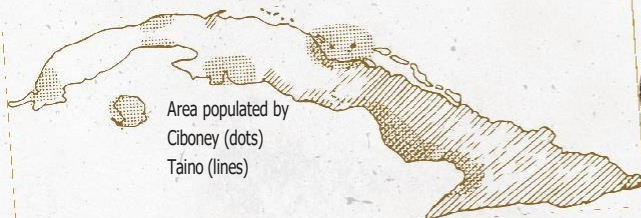

**Star of Bombay, Galliano, Chicha Morada, Cigar Smoked Honey Activated Charcoal**

#### GUANA 75

The Guana people, alternatively known as Guanahatabey, were ancient hunter-gatherers who possessed a unique language and culture. Their primary sustenance came from a variety of tropical, earthy vegetables.

**Butter-Washed Havana 3Y, Beetroot Pickle Brine, Mezcal**

## **IMPARABLE** 75

Following the arrival of the Guana people, Cuba saw the migration of the Taino and Ciboney people from South America. Both the Taino and Ciboney tribes belonged to the Arawakan family but had distinct identities, which were evident in their use of gold chokers as a means of differentiation.

**Havana 3Y, Campari, Earl Grey Tea, Pineapple, Gold Powder**

## **TAINO** 75

The Taíno societies played a vital role in introducing agriculture to the island of Cuba. They cultivated various staples that formed the foundation of their diet, including corn, beans, squash, peanuts, yucca, and tobacco.

**Corn-Infused Havana 3Y, El Jimador, Mango-Passion Chilli Tincture Cacao White**

## **CIBONEY** 75

The Ciboney people constituted the largest population group in Cuba. They inhabited the central region of the island, particularly the eastern Orient Province. Tropical fruits served as their primary source of sustenance.

**Pineapple And Fig Infused Havana 7Y, Ciboney Syrup, Frangelico Coffee**

## **CACIQUE** 75

Hatuey, revered as the chief, emerged as a valiant leader who made the ultimate sacrifice in defense of the survival of his Taino people. He holds the esteemed title of being Cuba's first National Hero. The Statue of Cuba, which stands as a symbol of resilience, prominently features Hatuey and serves as an iconic representation of the presentation of this cocktail.

**Havana 3Y, Takamaka, Banana Coconut Cordial, Ginger Grapefruit, Angostura**

## **EL CAPI** 75

The EL CAPI cocktail is a delightful creation inspired by the remarkable figure of Enriquillo, the noble Taíno leader who fearlessly rallied over 3,000 Taíno individuals in a triumphant rebellion against the Spanish authorities on the island of Española in the 1520s. Cheers to a drink that pays ho to a historical icon!
