# A SEASON

# TO RETURN

## Welcome to Banyan Tree Vabbinfaru

---

This festive season, we invite you to celebrate 30 years of barefoot eco-luxury at our serene island sanctuary – where the story of the Original Maldives began. For three decades, Banyan Tree Vabbinfaru has been a haven where sustainability, culture, and nature come together to create authentic and timeless experiences.

Join us in honouring this legacy with moments that nurture connection – to yourself, to your loved ones, and to this enchanting island home. From soulful Maldivian traditions and curated wellbeing rituals at our **award-winning Banyan Tree Spa, recognised by Travel and Leisure Asia Awards 2025**, to ocean-inspired feasts and meaningful marine conservation experiences with our Marine Lab, every detail is thoughtfully designed to inspire joy, balance, and belonging.

On behalf of our entire team, thank you for being part of our journey. We wish you a blissful festive season and a New Year filled with peace, purpose, and cherished memories.
