

## Destination Meetings & Events

An aerial photograph of a desert landscape. In the foreground, a rocky hillside covered in green shrubs and large tan boulders slopes down. A stone labyrinth is visible on the hillside. In the middle ground, a modern, multi-story building with a flat roof sits atop a ridge. The background shows a vast valley with scattered buildings and distant mountains under a clear blue sky. A large, light blue curved shape is on the right side of the image.
