Chakra Balancing Yoga Series

Amidst the joy of the season, take a gentle break with our seven-day Chakra Balancing Yoga series. This is your moment to stay calm, reconnect with body and soul, and restore the energy carried through the year.

A unique interlude in our festive symphony, it invites you to find balance and renewal.

Chakra Balancing ♦ ————— YOGA SERIES

1 December 2025 – 7 January 2026 | Yoga Pavilion

The chakras are the body's seven energy centres, each connected to physical, emotional, and spiritual balance. From the root to the crown, they form a pathway to harmony and renewal.

This festive season, our wellbeing practitioner guides you through a **seven-day continuous yoga journey** designed to realign your energy and restore inner peace — a practice truly worth embracing.

Complimentary for all Banyan Tree Lang Co guests.

Day

1 • Root Chakra (Muladhara)

The root chakra anchors our sense of safety, stability, and connection to the earth. This session focuses on grounding through postures and breathwork, helping you feel calm, secure, and deeply centred in your body.

2 • Sacral Chakra (Svadhishthana)

The sacral chakra embodies creativity and flow. Through hip-opening and fluid movements, this practice builds strength and flexibility in the pelvic area, releasing tension and nurturing emotional balance.

3 • Solar Plexus Chakra (Manipura)

The solar plexus chakra is the seat of inner power and confidence. This session engages the core and abdominal region with energising asanas, helping you restore vitality, self-belief, and personal strength.

4 • Heart Chakra (Anahata)

The heart chakra opens us to love and compassion. Gentle chest- and shoulder-opening postures encourage emotional healing, empathy, and deeper connections with yourself and others.

Day

5 🎵 • Throat Chakra (Vishuddha)

The throat chakra is the centre of expression and truth. Through postures that release neck and shoulder tension, this practice helps open the pathway for authentic communication and honest self-expression.

6 🎵 • Third Eye Chakra (Ajna)

The third eye chakra awakens intuition and clarity. This session stimulates energy flow in the forehead through breath-led asanas, supporting focus, awareness, and deeper insight.

7 🎵 • Crown Chakra (Sahasrara)

The crown chakra connects us to universal consciousness. Gentle inversions and meditative postures guide energy upward, fostering inner peace, spiritual awareness, and a profound sense of oneness.

Note: You are warmly encouraged to join the full 7-day journey to experience the greatest benefits. If you cannot attend every session, no worries, each practice is complete on its own and can be enjoyed independently.
