EMBRACE *The new* HORIZON

LUNAR NEW YEAR 2026
ACITIVITIES BROCHURE

A red envelope is hanging from a thin, dark branch. The envelope is rectangular and has gold-colored text and a decorative pattern. The text at the top reads "Chúc mừng năm mới" in a stylized, cursive font. Below the text, there is a gold-colored decorative pattern that looks like a stylized tree or a series of connected loops. The background is a warm, golden-brown color with a soft, out-of-focus texture.

Chúc mừng
năm mới

At Banyan Tree Lang Co,
Tet (Lunar New Year) is a
season of gentle moments —
where shared meals, quiet
music, and togetherness
shape a graceful beginning
to the year.
