WHAT TO KNOW WHEN PLANNING A WEDDING IN KRABI

WEATHER

Krabi is sunny all year round except during the wettest season of the year which is during the months of September and October. Temperatures fall between 24–32° Celsius most days of the year except during the hottest months of April and May when temperatures can go up to 36° Celsius. The coolest season is from November to March when the weather is good with cool breezes.

BEST TIME OF THE YEAR TO DO A WEDDING

The best time to have a wedding in Krabi is from November to March during the cool season. Krabi is famous for its spectacular beaches and natural scenery which make for the perfect dream beach wedding backdrop. During the cool season, the skies are blue and the sun is shining, but it's not too hot and very little rain is likely to occur.
