# PRE-WEDDING

## THE VENUES

To perfectly prepare your dream wedding, Banyan Tree Tamouda Bay invites you to schedule a site inspection, to discover our resort and decide the venue for your wedding with our outstanding team; from the Palm Garden, to the lounge near the beach, all the way to the closed Titawin Room.

The resort is a hidden gem between the Northern mountains of Morocco, where the sky blushes to the wave of the turquoise Mediterranean, all set in an exclusive context of luxury, and sustainable wellbeing. With its exotic charm, the resort proposes a selection of venues and an unparalleled landscape to meet the preferences and imagination of our guests.

# PRE-WEDDING

## PREPARATION

Before the wedding, there are a couple of hearttouching events that many couples organize. From a special romantic dinner in the villa for your proposal, to the bachelorette party, we will accompany you with a minimal attention to details to curate your event just like you visualized it.

## THE PROPOSAL

Starting this amorous journey with an exceptional proposal is the dream of every couple. At Banyan Tree Tamouda Bay, we indulge the preparations of our special guests' "She said yes" moment, with mesmerizing romantic decorations and all that the couple may need to make the perfect moment. You can choose between having the proposal in villa, or in a special area of the resort to be prepared, the whole team moves when feeling love in the air!

# PRE-WEDDING

## ENGAGEMENT PARTY

An engagement party is the first thing that we give our thought for to celebrate a blissful bonding with family and friends. We promise you an unparalleled experience with a selection of themes to choose from.

## BACHELOR(ETTE) PARTY

The wedding is drawing near and it's your turn to have some fun before the big day. A bachelorette party is traditionally planned by the bride's maid of honor, a small group of bridesmaids, or a small group of close friends, but there are no set rules, we celebrate however the bride/groom prefers – a relaxing staycation, a destination trip, a cocktail evening, or an exclusive party night.

## REHEARSAL DINNER

First impressions are very important, and so is the meeting of the two families bonding together for this blissful marriage. This is usually the largest event in the pre-wedding period and can require substantial planning from the location, timing, host, invitation list, & décor. Having your rehearsal dinner at Banyan tree Tamouda Bay will allow you to have the best experiences, with a nuance of an enjoyable rehearsal dinner with your in-laws.
